

**Invest in the organic sector in Saskatchewan
 Join SaskOrganics TODAY!**

SaskOrganics is the industry association for certified organic farmers and processors in Saskatchewan.

We are non-profit membership organization representing all 824 certified organic producers and 59 certified organic processors in the province. Our services to members include export market development, education & research, government relations and promoting the benefits of organically grown food.

Our goal is to build relationships and collaborate with partners – from farm to fork - provincially, nationally and internationally to bring you the most up to date information about the sector, research, marketing information and learning opportunities to help you and your business grow and prosper.

Certified Organic Business: FREE Membership

If you are a certified organic farmer or processor in Saskatchewan you are automatically a member! Register your membership so that you will receive your quarterly magazine & e-newsletters. To help serve you better we would ask you to consider investing in SaskOrganics by making a donation.

Corporate/Associate Member: \$250

We invite buyers, retailers, certifying bodies, NGOs to become corporate members of SaskOrganics. Build relationships, help to support programming to increase production and grow the sector. Corporate members receive discounts on registration and trade show tables at our AGM/Conference.

Friends of SaskOrganics: \$50

We welcome consumers, organic inspectors, researchers, educators and individuals to join us to stay informed about organics in Saskatchewan and help grow the organic community.

Our Mission: To advocate for a sustainable and thriving organic community through leadership in research, market development and communications.

Yes, I want to be a member of SaskOrganics!
